## Happy New Year from Your Beaver Creek Parks, Recreation & Culture

**Monthly Parks & Recreation Benefit:** Parks provide a place for children and families to connect with nature and recreate in the outdoors together.

### January Division Updates:

---

#### Parks

**Capital Improvements Coming in 2017!** 2017 will be another great year for your Beaver Creek Parks. Thanks to your levy dollars, we plan to complete many capital projects.

**Wartinger Park** (3080 Kemp Road) will see new walking paths. These paths will enable easier access for strollers, walkers, and wheelchairs to go from one house to another. A shade structure will be installed at **Royal Point Park** (3041 Park Overlook), new playground at **Spicer Heights Park** (3704 Edge Park Drive), and irrigation systems at both **Veterans Memorial** (1911 North Fairfield) and **9/11 Memorial** (1153 North Fairfield).

Watch for mailings and our monthly newsletter on how you can share your input on improvements. We are excited for a new year and *Taking Care of What We Have.*

#### Recreation

##### Do you Want to Build a Snowman?

When our next snow comes, get your family outside to build a snowman! Email us a photo of your snowman for a chance to win a Winter Fun Family Prize Pack!

Photos can be emailed to [parks@beavercreekohio.gov](mailto:parks@beavercreekohio.gov) now through February 15. All submissions will be posted on the City of Beaver Creek Facebook page ([www.facebook.com/beavercreekohiocityhall](http://www.facebook.com/beavercreekohiocityhall)) from February 17 - 24. The family submitting the photo that receives the most "likes" will be declared our winner!

## Senior Center

### **Ask a Handywoman** (Presented by Janice Hill, Handywoman)

Do you know what questions you should ask if a contractor comes into your home to make a small repair or large update? You need to know certain things when hiring that company in order to protect yourself from liability during these projects. Janice will be talking about this and giving out a list of questions that any contractor should be able to answer BEFORE they start work.

Janice will present this class **Wednesday, January 25, 10:30 a.m.** Class is FREE - please sign up in advance.
