FOR OUTSTANDING ACHIEVEMENT

On behalf of the members of the Senate of the 128th General Assembly of Ohio, we are pleased to commend the City of Beavercreek on receiving the Excellence in Financial Reporting Award from the Government Finance Officers Association of the U.S. and Canada.

It is not surprising that the City of Beavercreek has been presented with this prestigious honor in recognition of its 2007 financial statements. This accomplishment is a justifiable source of pride and a fine reflection not only on the city itself but also on its employees and staff, including finance director, Bill Kucera, and on the entire community.

The City of Beavercreek has certainly proven itself to be fiscally responsible, and through its unfaltering commitment, it has earned the respect and appreciation of many. By applauding the city for its financial diligence, we note with pride that it is through the efforts of such exemplary public employees as all those associated with the City of Beavercreek that the State of Ohio continues to grow and prosper and remains a fine place to live and work.

Thus, with sincere pleasure, we pay tribute to the City of Beavercreek on its recent accolade and extend best wishes for ongoing success.
