Remodeling Permit

When is a remodeling permit required?

A remodeling permit is required prior to any interior alterations to a building within the City. Interior alterations must not change the buildings size or square footage, and cannot include any new building construction.

What do I have to do to receive a remodeling permit?

To receive a remodeling permit, a Remodeling application must be completed in full and submitted to the Department of Planning and Zoning.

How long will it be until I receive notification?

The application will be reviewed in one to two business days and you will be notified by telephone when the application has been approved and the permit has been issued.

What's the next step?

Additional permits may be required by other agencies after you receive a remodeling permit from the City, as indicated at the bottom of the form.

If you have any questions, a staff member in the Department of Planning and Zoning is available to assist you Monday through Friday from 7:30 a.m. to 5:00 p.m.
